

Job Description

An opportunity exists within a growing company for an outstanding individual capable of fitting into this very rewarding Production Manager role. This leading confectionary company is looking for a dedicated, energetic and detail-oriented individual.

Responsibilities include:

- Implement and enforce production policies and procedures
- Assist in establishing and monitoring continuous improvement plans for manufacturing efficiencies and on-time delivery
- Create, maintain and manage production schedule, control production and quality of production
- Oversee and direct plant floor activities and participate in the production activities
- Design, implement and maintain new production procedures
- Ensure production policies are being adhered to and are in compliance with internal and external policies and governances
- Recruit, select, hire and train Production employees as needed
- Maintain close working relationship with all departments to ensure total customer satisfaction
- Ensure production areas are maintained daily
- Maintain sound sanitary and hygiene procedures
- Supervise proper cleaning and sanitation of all equipment, tools and facility
- Maintain a safe and secure working environment

Requirements:

- Appropriate full-time work experience is mandatory (no students or fresh graduates please)
- Recent experience in the confectionery industry is strongly preferred
- Preference will be given to candidates with recent experience in production and plant management
- If you are qualified and are looking for the right opportunity to take your career to the next level, this could be the perfect role for you. Please apply ASAP – we want to hear from you!

Compensation and Other Details:

Full time - 40 hour work week, Paid Vacation, Holidays and Sick Days, 401K profit sharing, health insurance benefits

Required experience:

Production Management: 1 year
