

72nd

Annual Production Conference Exhibitor Guide

Monday, April 16, 2018

Lancaster County Convention Center

PMCA

Professional Manufacturing Confectioners Association

LEARN. CONNECT. GROW.

Using Fruit in Confections

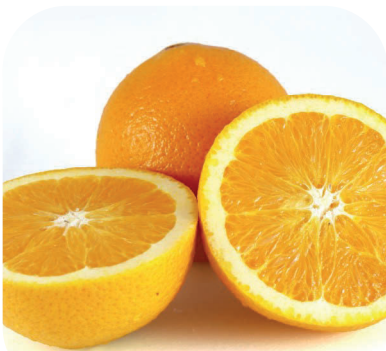

Hosted by the PMCA Production Conference Program Committee

How are fruits used in different confectionery applications?

Purees, juices, dried fruit, chocolate-covered fruit—the possibilities are endless!

#HD1 - HD4

★AAK.....	41
Supplier of value-adding vegetable oil solutions	
Aasted North America.....	113
Supplier of confectionery, bakery and snack food equipment	
ACMA USA.....	66
Packaging equipment for the chocolate and confectionery industry	
ADM/Matsutani, LLC.....	101
Fibersol®'s ingredient line allows you to develop better for you confectionery products	
Almond Board of California.....	85
Promotes almonds through research-based approach to all aspects of marketing, farming and production	
American Association of Candy Technologists (AACT).....	11
An association of professionals from the sweet-snacking industry	
★American Chocolate Mould Co.....	114
Manufacturers representative for moulds, moulding lines, enrobing lines, tempering equipment & cocoa processing	
Austrade Inc.....	43
Ingredients are mostly organic, always non-GMO, providing top quality sweeteners, starches, lecithin, plant proteins and oils	
The Austin Company.....	7
Leader in the food, beverage, and consumer products industries	
Avatar Corporation.....	10
SQF level 3, lecithins, vegetable oils, white mineral oils and food grade lubricants	
AZO Incorporated.....	130
Bulk material handling and automation, raw materials receiving through mixer feeding	
B&P Littleford.....	34
Representatives for leading equipment suppliers for the confectionery, snack & bakery industries	
★Baker Perkins.....	36
Manufacturer of confectionery processing systems; world leader in cooking and depositing technology	
★Barry Callebaut.....	71
World's leading manufacturer of high-quality cocoa/chocolate products	
★Bell Flavors & Fragrances, Inc.....	88
Innovative flavor creation and manufacturing with international production facilities	
Beneo, Inc.....	97
Producer of naturally sourced ingredients	

Berndorf Belt Technology	56
Manufactures high quality solid and perforated steel belts and conveyor systems for the processing and transporting of confectionery and specialty goods	
★Blommer Chocolate Co.	61
Manufacturer of chocolate, cocoa & related products for confectionery, dairy & baking industries	
Bosch Packaging Technology, Inc.	98
One of the leading suppliers of process and packaging technology	
★Bühler Inc.	100
Manufacturer of processing systems for the food industry including cocoa, chocolate mass and chocolate moulding	
Butter Buds Food Ingredients	29
Proprietary enzyme modified butter, cream, and cheese	
California Natural Products	119
Inventors and US manufacturers of conventional and organic rice syrups	
Callisons	80
Herbal, fruit and fantasy—we are more than just “The Mint Company”	
Candy Worx	40
Provides the confectionery, bakery and cereal industries quality machinery and services	
Capol LLC	35
Confectionery surface treatments, polishes, anti-sticking agents, shellac, waxes and release agents	
★Cargill Cocoa & Chocolate	120
Offers a range of dark, milk and white chocolate products that meet all of your confectionery needs	
★Centerchem, Inc.	63
Important global supplier of quality functional ingredients	
Clasen Quality Chocolate, Inc.	33
Manufacturer of chocolate and confectionery coatings	
W.A. Cleary Products	55
Manufacturer of lecithin, lecithin products & release agents for the confectionery & bakery industry	
★CM-OPM USA	75
Supplier of chocolate and cocoa processing, chocolate moulding along with a complete range of packaging	
★Colorcon	51
World class supplier of quality products to the confectionery industry	
Concord Foods, LLC	89
Leading supplier of caramel and other quality ingredients to the confectionery industry	

Corbion	122
Exceeding sour stability and exciting flavor differentiation—expert acidification innovation partner	
Crosio & Associates	73
Supplier of process & packaging machinery	
Dairy Farmers of America	38
Manufacturer and supplier of anhydrous milk fat, milk powders, and sweetened condensed milk	
Divis Nutraceuticals	27
Manufacturer of stable carotenoids and vitamins for color fortification applications	
★Domino Specialty Ingredients	52
Sweetener supplier with a full range of sugar cane based ingredients	
Driam USA, Inc.	57
Supplier of batch and continuous coating technologies for sugar and chocolate applications	
★DuPont Nutrition & Health	67
Provides ingredient solutions to the confectionery industry	
Egan Food Technologies	132
Custom food processing equipment for the confectionery, baking and snack food industries	
ElectroSteam Generator Corp.	103
Manufacturers custom, ASME compliant, steam sanitation equipment for industrial food manufacturing facilities	
Eriez	124
World authority in separation technologies	
Eurofins Microbiology Laboratories	69
ISO accredited 3rd party testing laboratory specializing in food and confectionery testing	
Fine Chocolate Industry Association (FCIA)	126
Membership organization serving fine chocolate professionals	
Fismer Lecithin GmbH	105
New leading lecithin company in Europe	
Flavorchem	95
We create flavors and colors for all segments of the confectionery industry	
FONA International	32
Creates incredible flavors for food, beverage, and nutritional products	
Franz Haas Machinery of America, Inc.	99
Leading equipment manufacturer for various sweet confectionery products	
★Fuji Oil Inc.	91
Supplier of fats & oils	

Galloway Company	118
Sweetened condensed milk manufacture	
Gamay Foods	128
Manufacturer of natural clean label dairy flavors	
GNT USA	42
Produces clean-label color solutions from fruits, vegetables, and plants	
Gold Coast Ingredients	2
Custom flavor & color manufacturer	
Golden Peanut & Tree Nuts	102
Leading supplier of nut and nut ingredients, flours and roasted oils globally	
Goodhart Sons, Inc.	13
Designer and fabricator of agitated tanks/vessels, melters, and coolers	
★ Grain Processing Corporation (GPC)	70
Supplier of ingredients that gel, bind, thicken or coat candy & snack foods	
Graybill Machines, Inc.	129
We excel at building specialized process machinery for manufacturers of confectionery products	
Guittard Chocolate Company	134
Premium manufacturer of chocolate, cocoa powders and compounds	
Hamburg Dresdner Maschinenfabriken USA	84
Equipment for the confectionery, chocolate, coatings and cocoa processing	
Herbstreith & Fox	140
Global producer of apple and citrus pectins and functional fibers	
Herding Filtration LLC	121
Process dust collection and pure product recovery	
★ Hilliard's Chocolate Systems	133
Supplier of chocolate melting, tempering, coating, and cooling equipment and candy making utensils	
★ IFC Solutions	48
Ingredient blending company with expertise in food colors, release/anti-stick and lecithins	
Inclusion Technologies	112
Full line of specialty inclusions, nut replacers and extenders	
Industrial Food Ingredients	54
Sales associate firm that represents companies that supply ingredients to the confectionery industry	
★ Ingredion Incorporated	26
Specialty ingredient supplier for the confectionery industry	

ISC Gums	86
Gum acacia manufacturer and hydrocolloid supplier	
JF Hydrocolloid Inc.	106
Distributor of carrageenan and pectin	
Kalsec®, Inc.	115
Produces natural colors, natural antioxidants, natural spice and herb flavor extracts	
★Kargher	59
Primary manufacturer of chocolate and confectionery products	
★Kocotek	81
Advanced processing and packaging machinery for the cocoa, chocolate and confectionery industry	
Landers Group, LLC.	12
Represents Theegarten-Pactec and Winkler und Dunnebier in North America	
Learncandy.pmca.com	9
Member resource for confectionery educational content	
★IOI Loders Croklaan	110
Specialty fats & oils supplier for bakery and confectionery	
Malt Products Corporate	135
Natural—organic and GMO free sweeteners	
Malvern Panalytical	77
Providing controlled product performance for optimizing cost and consumer satisfaction	
Mane, Inc.	60
Flavor manufacturer providing customized flavor, proprietary technology and delivery systems	
Mantrose-Haeuser Co., Inc.	79
Provides edible coatings to enhance your confections both functionally and aesthetically	
★MC/Manufacturing Confectioner	21
The Manufacturing Confectioner is the technical journal of the sweet goods industry	
MILTSAM	58
Provider of equipment, ingredients, and materials to the confectionery industry	
★Molded Fiber Glass Tray Co.	37
Manufacturer of starch trays and in process containers	
Mother Murphy's Flavors	137
Family owned flavor house creating exceptional flavors for sweet treats	
★Multifilm Packaging Corp.	68
Integrated converter of flexible packaging for the snack, chocolate and confectionery industries

Window

FOOD STATION

Murnane Specialties, Incorporated	138
Packaging for the confectionery industry featuring SOFT-CEL decorative and protective padding	
NETZSCH Premier Technologies	93
Global provider of conching and refining equipment for confectionery applications	
NEXIRA	117
All natural acacia gum ingredients for texturizing, coating & nutrition/fiber applications	
Nitta Gelatin NA Inc.	47
Premium and specialty gelatin for gummies, marshmallows and other confection applications	
Nutec Group	30
Integrated consulting, planning, design, engineering, and construction services for the confectionery industry	
Nutrigaard LLC	39
Supplier of specialty ingredients for the confectionery and nutraceutical industries	
Nutrin Distribution	50
We sell peanut flavors; peanut paste, extract, flour, splits, chopped and oil	
Palsgaard Inc.	28
Confectionery emulsifier experts with specialties in PGPR, AMP, oil binders and crystal promoters	
Precision Roll Grinders, Inc.	108
Rebuilder of chocolate refiners and lab mills: repair and grinder of roll related equipment	
★Prova Inc.	74
Specialty manufacturer of vanilla, cocoa, coffee and gourmet extracts and flavorings for the confectionery industry	
ProXES, Inc.	65
We manufacture machinery for the confection industry	
PTL	72
Specializes in designing and manufacturing innovative chocolate and bar machinery	
★Readco Kurimoto, LLC	96
Complete provider of continuous process machinery and solutions	
★Roquette	45
"Improving well-being by offering the best of nature" delivering proven technological, nutritional and health benefits for the confectionery industry	
Rousselot	136
Manufactures gelatin and hydrolyzed collagen for the confectionery industry	
Sandvik SGL Technology	104
Manufacturers of chocolate forming/molding equipment for both industrial and decorative applications	
★Savage Bros	87
Manufacturing of reliable long lived machinery for the confectionery industry	

Scala-Wisell International, Inc.	109
Importer/Manufacturer: coconut, candied fruit and nonpareils	
Schenck Process	64
Manufacturer of pneumatic conveying, weighing, feeding and dust collection systems	
Sensient Technologies	16
Preferred partners for custom flavors, colors and ingredients, delivering superior quality products	
SensoryEffects Ingredient Solutions div. of Balchem	125
Industry leader in microencapsulated ingredients, lipid inclusions and emulsified powders	
Sensus America, Inc.	24
Leading manufacturer of chicory root fiber - inulin	
Shank's Extracts, Inc.	22
Manufactures extracts, flavors and colors in addition to providing packing solutions	
Silesia Flavors, Inc.	17
Over 100 years of manufacturing quality flavors to the food and beverage industry	
★Sollich North America, LLC	76
Provides sales and service for the entire range of equipment from Sollich and their sister company Chocotech as well as Dumoulin	
Solvay	116
Domestic producer of vanillin and ethyl vanillin as well as global natural label (ex-ferulic)	
★Stern Ingredients, Inc.	90
Supplying specialty ingredients to the confectionery & snack food industry for over 25 years	
Sugaright (Division of CSC Sugar)	25
Leading supplier of liquid cane sugar to the food industry	
Synergy Flavors	107
Supplier of flavors	
★Tastepoint by IFF	78
Specializes in creative solutions for any confectionery project that's on your plate	
★Tate & Lyle	123
Global food and beverage industry solution provider	
Temuss Products Limited	31
Manufacturer of a full line of confectionery glazes and polishes	
Tomric Systems	23
Supplier of polycarbonate molds, chocolate handling equipment and packaging	
Totus Trade LLC/Chocomac	83
Distributor of 100% Ghanaian cocoa liquor, cocoa powder and cocoa butter	

★TRICOR Systems Inc.....	53
Manufacturers & sellers of TRICOR System's Model 225 and 530 temper meters	
★Turbo Systems.....	82
Suppliers of processing equipment for the confectionery, snack foods and nutrition bar industries	
★Union Confectionery Machinery Company.....	62
New, used and reconditioned processing and packaging machinery for the confectionery, baking & food industries	
United Cocoa Processor.....	46
UCP operates with flexibility, quick and effective to customers large and small	
★Varick Enterprises Inc.....	92
Manufacturers representatives for confectionery processing equipment	
VernDale Products, Inc.....	49
Manufacturer of roller-dried milk powders	
The Warrell Corporation.....	111
Proud confectionery and snack manufacturer since 1965	
Weaver Nut Company.....	8
Ingredient sourcing and supplier, importer, and master distributor	
★Woody Associates, Inc.....	44
Designer and fabricator of automatic decorating machinery for confectionery and bakery industry	
★WRH Industries, Ltd.....	94
Specialized process and material handling containers, molds, plaques, stock boxes
