

PMCA

Professional Manufacturing Confectioners Association

LEARN. CONNECT. GROW.

PMCA is an international association that enhances the companies and careers of confectionery and snack professionals through inspired learning and the building of long-term personal connections, which empowers our members to create products that bring people **JOY**.

For PMCA, it's all about connections.

PMCA members are a close group. They learn together, socialize together and share information for the advancement of the confectionery industry as a whole.

Serving large, medium and small manufacturers and suppliers - everyone benefits!

Discover PMCA

The PMCA Annual Production Conference is a premier technical conference for the confectionery industry. A supplier exhibition, educational sessions featuring live demos and tasting samples, an interactive workshop and many networking opportunities are all part of the experience.

Our short course program aims to help confectioners manufacture better products through classroom and hands-on training. Instructors are experienced industry professionals with a passion for sharing their knowledge.

Joining a PMCA committee is a great way to contribute your enthusiasm, knowledge and talents to the association. With more than a dozen committees and sub-committees, there are lots of opportunities to become involved.

PMCA Membership Values

EDUCATION: We provide discounted, priority registration for short courses in confectionery technology.

RESEARCH: Members receive access to quality, applicable confectionery research.

COMMUNICATIONS : Stay on top of activities with our monthly newsletter. Gain access to our member directory and send us your company's job openings to post on our website.

COMMITTEES: Get involved - learn, network and drive association activity.

CONFERENCE: Members receive discounted registration and the ability to reserve a supplier exhibition booth for our largest, most anticipated event.
