Payment

Payment for local drayage and, where appropriate, storage services must be prepaid prior to receiving the items at your exhibiting space. Forms of payment accepted are company check, wire transfer, or credit card. General Exposition Services requires a credit card to be on file for all material handling services. Failure to do any of this may delay the expediting of your materials.

How Are Drayage Rates Determined?

Since union labor is used to move freight, General Exposition Services must set the rate based on the labor rate in that city. Drayage rates also reflect the cost of empty storage space and the overall cost to produce the tradeshow. Drayage rates will vary depending on move-in and move-out times.
